

St Martins Church Skittles Evening

Friday 19 May 2017

We had a very successful Beer and Skittles evening at the Royal British Legion in Liskeard. The date clashed with a number of those who usually attend only for them to be replaced by others as we still had over 30 on the night. Steve Morgan, his wife and family came for part of the evening and said they wished they could have stayed longer.

The evening started just after 7.00.pm with the team matches followed by a break for pasties – chips – coleslaw and salads after which the singles games were played. Ron Bennett organized the order of play and recorded the scoring. Dom and a very energetic Finley, put up the skittles and carried the balls back to the players.

The team winners were Richard Crawshaw – Sharon Lloyd – Daphne – John Crawshaw – Kathy Lang. The ladies winner was Maggie Skinner and the male winner was Finley Soady. We then had a grand final in which a delighted Finley prevailed over Maggie. The cost of the evening was £6.00 per head to cover the food and alley costs. A profit of £47.50 was made and it was agreed it should go to the Church Re-ordering Project.

Those attending covered people from all the church services and therefore linked parts of the church family together for a social evening that was enjoyed by everybody, judging by the ribbing, laughter and some serious competitors leading to a fun evening for all.
