

## The Licensing of Sheri Sturgess as a Reader in the Truro Diocese

On Saturday 14 October well over 100 Readers came together for a special Festival Celebration of the Reader Ministry at Truro Cathedral. Seven new Readers were licensed including our own Sheri Sturgess and also Rebecca the daughter of Rev John Schild.

It was a wonderful occasion led by Bishop Chris with lots of friends and family members there to support the new Readers. Steve, our own Rector was also there. Do pray for all our Readers in their ministry throughout the Diocese and especially Liz, Ron and Sheri as they serve God here in our own Benefice.
