

Body Shop Party

Friday 10 November saw our Body Shop Party fundraising for St Martin's Church reordering fund. This is our second fundraiser with the Body Shop in the last 6 months, and again it was a huge success. 32 ladies gathered for a fun filled evening of raffles, lucky dips, cake and of course a chance to do some Christmas Shopping! It was fantastic to see faces from our different Church services. There were also several ABC mums that came along, and many brought friends along also. There was such a lovely and warm atmosphere...and lots of laughter!

A big thank you to all those that supported the evening whether through ordering or buying raffle tickets. And thank you to those that helped in so many ways. *All your contributions raised a fantastic £540.00 for the Church reordering.* I'm utterly blown away by the kindness and generosity of you all, so thank you! Finally thank you to our Body Shop Rep for the evening, Sarah Parry. Sarah kindly donated all her commission from the evening sales to the fundraising which really helped us to achieve such a fabulous total.
