

DORA MCNULTY

Dora McNulty tells her faith story for [#SpeakOut2016](#) and the Diocese of Truro in the form of a prayer.

“To My Heavenly Father

Dear Father,

I have never done anything like this before, but I feel that I now have this opportunity to tell you that I first heard about Your Son Jesus when I was only seven, only a child but as the years have gone by with lots of people praying for me and teaching me I have learnt so much. And I am still learning, but I have realised so many times how much I have failed You.

My heart at times bursts with the forgiveness and the love that I have received throughout my life; for Your healing power, Your patience, Your love, Your guidance, but above all for Your Son Jesus who died for me that I might live.

You know all about my life, my family and friends. You have helped me through so many trials and given me joy with so many blessings.

Stay with me Dear Lord that I may worship and praise

Thank You, Thank You

Your loving daughter

Dora”
